PROFILE

Kasturba Gandhi College for Women was established in 1973 by the Osmania Graduates' Association under the patronage of the Exhibition Society with a noble intention of making higher education accessible to all strata of women in a sprawling campus of 3.85 acres of land in the centrally located Marredpally area of Secunderabad. Since then the College has progressed in terms of infrastructure, number of courses offered and student strength. The college has now emerged as a much sought after and leading institution of higher learning in the twin cities with a strength of nearly 2600 students and over 90 teaching staff and 70 non-teaching staff with 22 departments. It was first accredited with 'A' Grade by the National Assessment and Accreditation Council (NAAC) in 2005, 2012, 2017. In January 2024 the college was re-accredited with an 'A+' Grade by NAAC. The college is affiliated to Osmania University and offers 19 Undergraduate Programs and 6 Post Graduate Programs.

The curriculum is enriched with the Add-on courses like Personality Development, Employability Advantage and communication skills etc. Subject related clubs and general clubs were initiated in the College for experiential learning and creativity. The club activities have shown good learning outcomes, helping students with practical orientation and informal learning, giving them hands-on experience. Weekly assemblies are conducted for better networking and togetherness in the college which is organized by one department every week on rotation.

The institution is ranked 2nd best among colleges in Telangana State and 27th at All India Level by EDUCATION WORLD Magazine. The college is ranked consistently in top 100 colleges at All India level by INDIA TODAY Magazine. This achievement is due to the collective efforts of the Management, Principal, well qualified Teaching & Non-Teaching Staff and Students. Kasturba Gandhi College for Women has become a destination of higher learning due to the experienced and well qualified faculty members most of whom hold a Doctoral Degree.
