Title of Event	DEPARTMENT OF BUSINESS MANAGEMENT PRESENTS- ENTREPRENEURSHIP AWARENESS PROGRAM "CHANAKYA'S ARTHASHASTRA RELEVANCE TO MODERN ENTREPRENEUR"
Date	18/08/2022
Time	10.00am-12.00pm
Venue	Seminar Hall - MBA Block
Objective of Event:	1.students would be aware of its context, the society and the values of that time and its significance on that time and its relevance in today's context. 2.Understanding of ancient Indian society and statecraft 3. Insights into governance 4.How the Arthashastra offers entrepreneurs a wealth of insights into effective leadership, strategic planning, and risk management. By studying this ancient text, entrepreneurs can gain a deeper understanding of the timeless principles that underpin successful businesses today.
Brochure/Poster/Flyer of Event	
Resource Person/Guest	Organized by faculty and students of the department 75 students participated in the Program
Summary of The Event (eg:what did Speaker emphasized on)	Chanakya Arthashastra relevance to modern India The Arthashastra, a treatise on statecraft, economics, and military strategy written by the ancient Indian political philosopher Chanakya, continues to be studied and referenced in modern India for its insights on governance and policy. Many of the principles outlined in the text, such as the importance of a strong central government and efficient administration, are still considered relevant today. Some of the modern Indian bureaucrats, economist and Politician consider it as

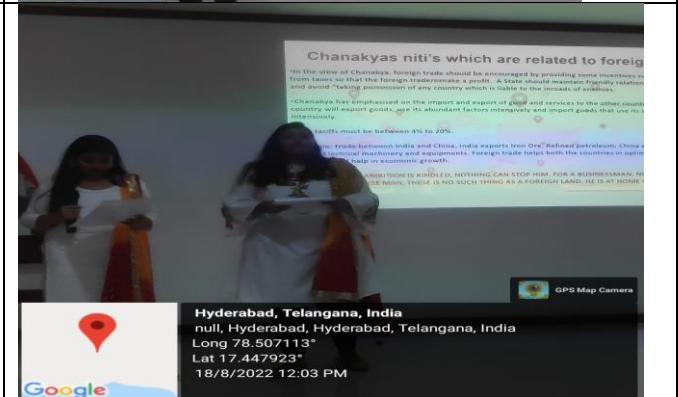

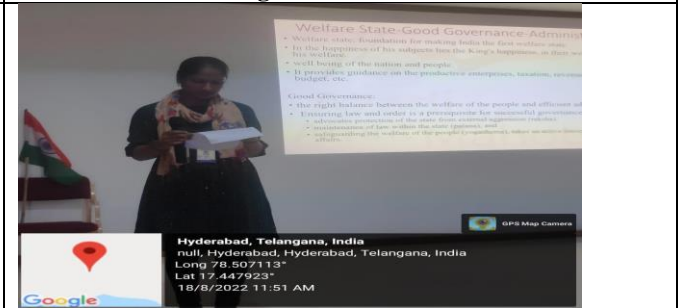

important script for administration and governance. It also offers insight into ancient Indian society and the role of the state in promoting the welfare of its citizens. It also has been source of inspiration for several contemporary Indian author and economist. The Chanakya Arthashastra can be a valuable resource for students studying a variety of subjects, including management, history, political science, economics, sociology. Here are a few ways students might benefit from studying the Arthashastra:

Understanding of ancient Indian society and statecraft: The Arthashastra provides a detailed look into the political and economic systems of ancient India, as well as the social and cultural norms of the time.

Insights into governance: The text offers a wealth of information on governance and statecraft, including the responsibilities and duties of rulers, the role of the state in promoting the welfare of its citizens, and the importance of efficient administration.

It is worth to note that, as it is an ancient text, students should be aware of its context, the society and the values of that time and its significance on that time.
